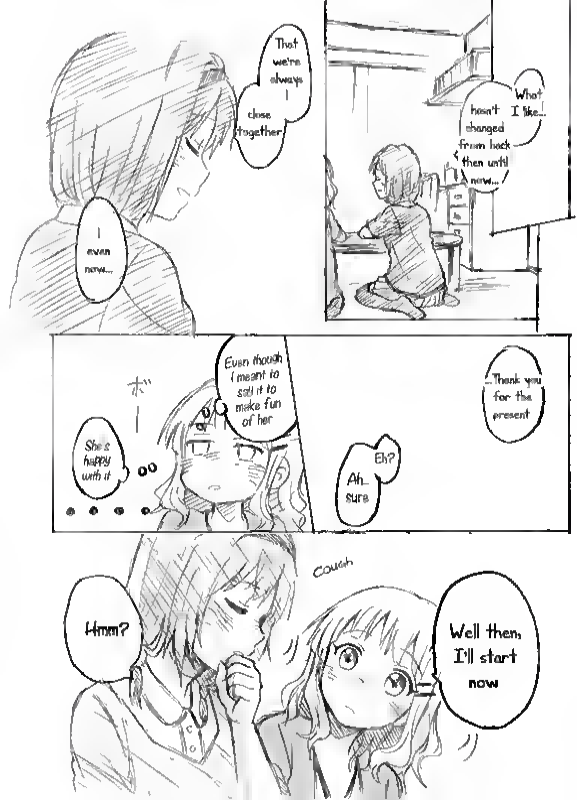
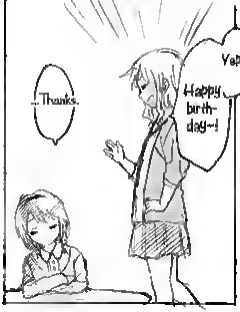
Your birthday present is



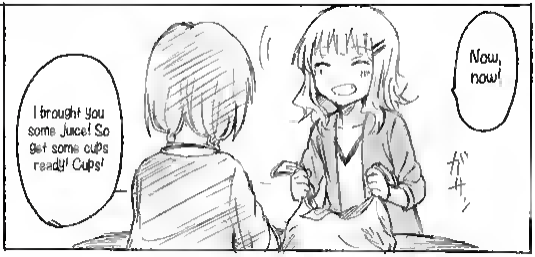
That we're always close together
I even now...
What I like.. hasn't changed from back then until now...
Thank you for the present
Eh? Ah.. sure
Even though I meant to still it to make fun of her
She's happy with it
Hmm?
cough
Well then, I'll start now

My permission to make love to Sakurako! (Drunk)
I'll start using it right now.
...To make love?
Eh Wait what? Stop ?
Not? You misheard right!?
Hey! What are you doing!?
Not make love, I said to love...
Uwaaa aah!!!

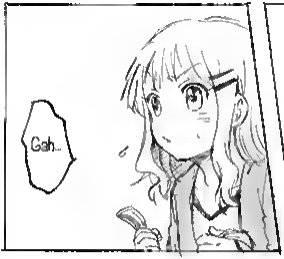
So?
Where's the cake!?
How shameless are you!?



Yep!
Happy birthday~!
...Thanks.



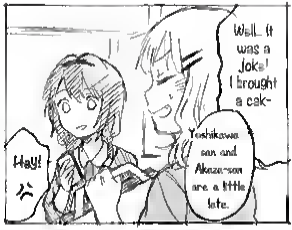
Now, now!
I brought you some juice! So get some cups ready! Cups!



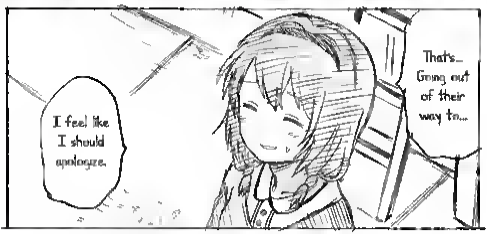
Gah...

Heh...

I told them to just buy it and go
I guess it's taking a while for them to choose a present?
Eh...



Well... It was a joke! I brought a cak-
Yoshikawa san and Akaza-san are a little late.
Hey!

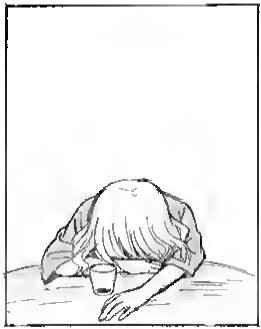


That's... Going out of their way to...
I feel like I should apologize.

Why are you asking me?
Because you're so close to her
Hey!
I'm not I !!!

Do you know what Himawari-chan would like?

Because we're childhood friends



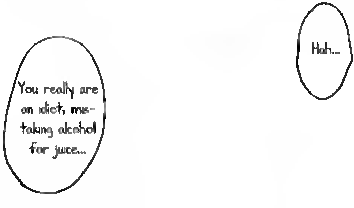
You...
Phew~

And since I didn't realize it as I was drinking it, it must be that...!
Ah- I only realized it when I was burning it!
Yeah, it's alcohol for minors~
Whose fault do you think this is!
"ring there over here. I want to check something
Isn't this alcohol!

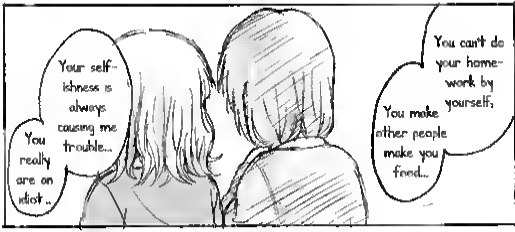
You idiot
Sorry
It can't be helped ~
I just grabbed anything from the fridge, so I made a mistake
Ah, Ameshite Juice

We should sober up before Yoshikawa and them get here

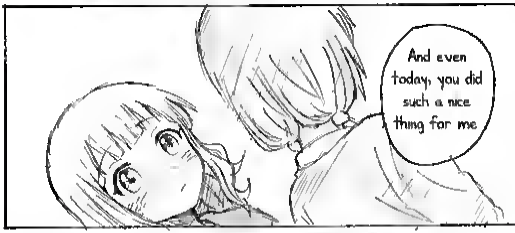
You delinquent child!
It's tasty so we should have every one drink it



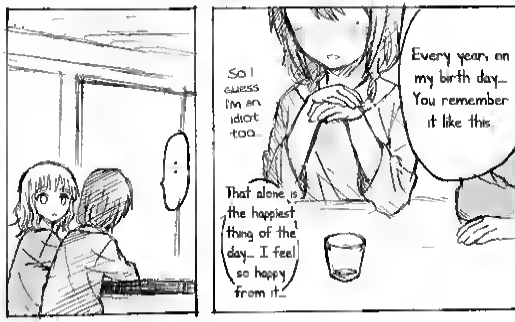
Huh...
You really are an idiot, mistaking alcohol for juice...



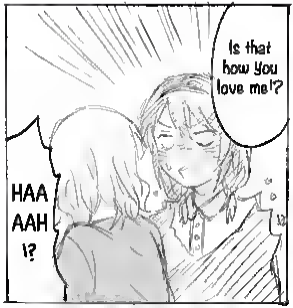
You can't do your homework by yourself.
You make other people make you feed...
Your selfishness is always causing me trouble...
You really are an idiot...



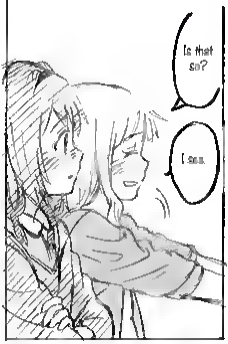
And even today, you did such a nice thing for me



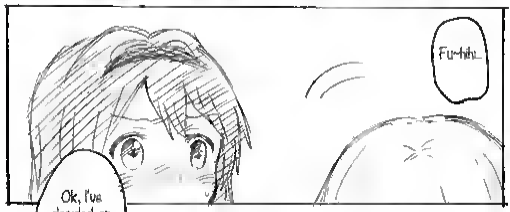
Every year, on my birth day... You remember it like this
So I guess I'm an idiot too.
That alone is the happiest thing of the day... I feel so happy from it...
:



Is that how you love me!?
HAA AAH !?

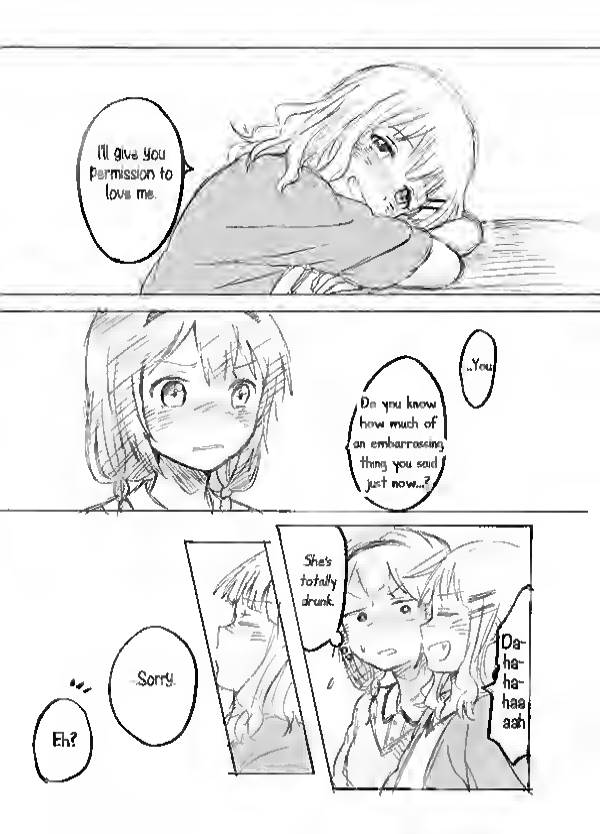


Is that so?
I see.



Fu-hihi...

Ok, I've decided on my present.



I'll give you permission to love me.
..You
Do you know how much of an embarrassing thing you said just now...?
She's totally drunk.
Da-ha-ha-haa aah
Sorry.
Eh?

Sorry, I didn't have one
I didn't know
The present...
?
Himawari, you're so independent and mature
I didn't know... what you liked anymore
Sakura ko...
